

PRINCIPAL'S LETTER

Note to Applicant: You may submit this letter as a pdf or graphic file.

To: STEM Camp FOUNDATION

Please acknowledge this letter in support of the grant application that it accompanies. I understand that the funds, if granted, will be sent directly to the teacher who has applied for this grant.

I attest that:

- The teacher who has applied for these funds is a trustworthy professional who has my confidence that the funds granted will be distributed in the manner for which they were intended in the grant application; and
- I have read the grant application and acknowledge the project is STEM-related and it has my full support; and
- The applicant is a fully accredited teacher by the Province of Ontario.

Lastly, I further acknowledge my understanding that one of the conditions of the STEM Camp FOUNDATION grant is that the teacher is required to upload photos and a description of the approved project to the STEM Camp Foundation not more than two weeks after the project has been completed and that failure to comply with this last condition will render the project VOID; resulting in the grant being clawed back in its entirety by the STEM Camp Foundation.
